

Wedding Photography

Your wedding is your day - after all the preparation and attention that has gone into it, I aim to provide you with photographs which immortalise those beautiful moments. The service provided will most often be a mix of posed and candid portraits.

It's important to feel at ease with your photographer and to go with one whose style you like. If you haven't done so already, please look through the wedding gallery on my website and don't hesitate to contact me via the 'Contact' section if you wish to see more. Each wedding is unique, and as the photographer I will of course adapt to each situation individually, but having an idea of what to expect before you enquire can always help. I've set forward below what would typically be included and at what price.

Full Wedding package: £400

This includes 10 hours of photographer's presence (including a 30min break), and generally covers:

- Bridal preparations
- Ceremony and signing
- Any formals required
- Reception: wedding cake, speeches and guests
- A digital copy of a wide selection of the photographs on CD or DVD. These will be in high resolution and come with the appropriate license enabling you to do pretty much anything non-commercial such as make prints and share with friends. All files will be in .JPEG format.

A 20% deposit will be asked for at least two months in advance to confirm your booking.

Essentials Wedding package: £200

This includes 4 hours of photographer's presence and generally covers:

- Ceremony and signing
- Any formals required
- Reception: wedding cake and guests
- A digital copy of a wide selection of the photographs on CD or DVD. These will be in high resolution and come with the appropriate license enabling you to do pretty much anything non-commercial such as make prints and share with friends. All files will be in .JPEG format.

This package is flexible and what it covers is obviously dependent on the timings of your wedding. A 20% deposit will be asked for at least two months in advance to confirm your booking.

If you wish to book a wedding or have any further questions, please use the 'Contact' section.
